

## Level I Coach-In-Training Post-Level I Coach Training Requirements

### Downloading Post Level I Coach-In-Training documents.

Login to your LITMOS coach account (<http://university.thefirsttee.org>) and download and save the Post Level I Coach Training document. Your post Level I Coach Training document must be submitted as one WORD or PDF document. Document must be typed. No handwritten document or pages will be accepted. It comes in WORD format and can be saved and submitted in the same format. You have 365 days from the last day of training to complete and submit your documents.

### Risk Management/Child Protection Course

This is an optional requirement in The First Tee Coach Training program. **However, The First Tee of Fort Worth requires all lead coaches to complete this eLearning course.** Access to the Child Protection course is through your LITMOS coach account.

### Playing Requirements

Play at least one 9-hole round of golf with at least two participants per round. Participants can be from any Life Skills level. You can use the scorecard template provided or copy and paste the scorecard into this section of your document.

### Life Skills Teaching Requirements

#### PLAYer

- Create and develop lesson plans for PLAYer Life Skills classes using the PLAYer Lesson Plan template provided in your post training document.
- A Good-Better-How must be included. **All elements of the lesson plan template provided in the documents must be completed.**
- Deliver (teach) as many PLAYer Life Skills classes as possible using the lesson plans you developed.

#### Par

- Create and develop lesson plans for Par Life Skills classes using the PAR lesson plans template in your post training document.
- A Good-Better-How must be included. **All elements of the lesson plan template provided in the assessment documents must be completed.**
- Deliver (teach) as many PAR Life Skills classes as possible using the lesson plans you developed.

### Conducting Certification Requirements

- Conduct a PLAYer or Par level certification with at least three (3) PLAYer or Par participants.
- PLAYer and/or Par participant's database ID numbers must be included when completing this part of your documentation.
- PLAYer and/or Par participants do not have to pass the certification to fulfill this requirement.
